

Human Subjects Research: What SBIR & STTR Applicants Need to Know Webinar - Materials Available

Zoom

October 18, 2022

Whether applying for an NIH Small Business Innovation Research (SBIR) or Small Business Technology Transfer (STTR) grant or submitting a contract proposal, you should know NIH's human subjects research policies and reporting requirements.

Access these resources to learn about:

- NIH's definition of human subjects research and how it applies to you
- NIH policies for conducting extramural research involving human subjects
- Clinical trial requirements for SBIR & STTR grants and contracts
- Inclusion policies and reporting requirements
- Training and resources available to help you prepare your SBIR or STTR grant application or contract proposal
