DEADLINE SEPTEMBER 23 APPLY AT MINNESOTASBIR.ORG

NATIONAL INSTITUTES OF HEALTH SBIR/STTR COHORT

Are you ready to take your groundbreaking product research and development (R&D) to the next level?

Whether your product R&D involves drugs, devices, therapeutics, diagnostics, digital Health, or other cutting-edge solutions, this is your opportunity to apply and secure funding to bring your novel solution to the world!

WHY APPLY FOR THE NIH SBIR/STTR COHORT?

- The NIH SBIR/STTR Programs offer **\$1.4B of non-dilutive funding** to help small businesses and startups develop and commercialize cutting-edge technologies.
- Our Cohort is designed to provide you with tailored guidance, expert mentorship, and the resources necessary to craft a competitive NIH SBIR/STTR application.

WHAT WILL YOU GAIN?

- Expert Coaching: Work with proven industry experts in the NIH SBIR/STTR space
- **Peer Support:** Collaborate with like-minded innovators and entrepreneurs as you progress through the application process.
- **Comprehensive Resources:** Access templates, checklists, and other essential tools.
- **Feedback and Review:** Get constructive feedback from experienced reviewers to ensure a high-quality proposal.

REQUEST TO JOIN THE COHORT?

- Apply to our **Catalyst Program** at <u>https://minnesotasbir.org/application/</u>
- Qualified **Catalyst Program** firms *will* be provided the **Cohort** application
- Complete the **Cohort** application by September 23.
